After 5 years, the Eye Kandi Motorcycle Klub is still together as one and we continue to ride on those 2's strong with 10 dedicated professional women. You may see us in the ATL, but we travel with our 2's everywhere - Daytona, Myrtle Beach, PRO Convention, FSBW, you name it, we are in your house on our 2's.

EKMK continues to make decisions in a positive direction which include:

- Interviews for TV shows, one to be viewed possibly by the end of 2010, A&E TV Project;
- Continued support to MC community, in Dec 2010, participating in the ATL Female MC Toy Drive- toys disbursed to Atlanta Shelter/My Sis' House;
- Supporting EKMK's Charity, House of Dawn

As we continue to grow and earn the respect of the motorcycle community, we know if you are out on the scenes of the ATL area, we are hopeful that we will see you on rolling on the highway!!!

- Change oil and filter
- Spray pledge furniture wax on any chrome or polished or raw aluminum
- Put motor oil all over the front fork tubes, bounce bike up and down to work suspension
